General Comments:	Kylie did an awesome job of coming into our kindergarten classroom and jumping right in with helping students, being a part of lessons/activities, and getting to know the kindergarten students. Kylie went above and beyond when it came to teaching her "assigned" lessons by asking if she could help out with other lessons that weren't required of this practicum placement. Kylie always asked questions about different classroom activities to expand her knowledge of the kindergarten curriculum. Kylie would be an excellent student teacher or lead teacher in a kindergarten classroom and is welcome back to our classroom at any time!
